CRAFT PROJECTS

HAIRPIPE KEYCHAIN

Ages 5 and up

This is one example of a popular design for a keychain. You don't have to stick to any one design or pattern. We can adapt the materials used to fit most budgets. Other popular versions are the dreamcatcher and mini headdress keychains.

Materials:
keyring
leather lacing
concho
crowbeads
wood barrel bead
hairpipes
aluminum cones

DREAM CATCHERS

Ages 9 and up

Recreate the legend of the dream catcher with your own hands. We have everything you need to make this popular craft item. You'll be surprised how relatively inexpensive this project can be. Once you've mastered the basic dream catcher you may be ready for a more complicated design.

Materials needed:
metal rings
leather lacing
sinew
crow beads
feathers

Optional:
semi-precious stones

SAFETY PIN HEADDRESS

Ages 7 and up

This style of headdress was worn by the chiefs of the Plains Indians and were made of various feathers, beadwork and leather. You'll often see these miniature replicas hanging from car rear view mirrors. When the light shines through the beads it can be quite eye-catching.

Materials needed:
safety pins
spaghetti beads
8mm faceted beads
spacers (rondelles)
wire
leather lace
feathers
crowbeads

Optional:
conchos
cones

BEADED NECKLACE

Ages 5 and up

A relatively simple project but popular with young and old. Although merely stringing large seedbeads onto a strong thread the end result is a very popular type of necklace with almost an endless amount of color combinations. Do the same pattern on a shorter thread and you have a matching bracelet.

Materials needed:
seedbeads (size 6/0)
elastic cord

Optional:
semi-precious stones
jump rings
pendants

DAISY CHAIN NECKLACE

Ages 12 and up

This type of project is a little more advanced than the *Beaded Necklace* but may be made with a larger size seedbead for younger or inexperienced crafters. Although the design resembles a flower, boys can make these as well for gifts for Mother's day or some other special occasion.

Materials needed:
seedbeads
beading thread
beading needle

Optional:
clasp

HAIRPIPE CHOKER NECKLACE

Ages 8 and up

Choker necklaces were originally made with real bone which was filed into tubes and mixed with various wood beads and clay beads and served as armour. Today chokers are popular jewellery pieces with a rugged look appealing to both males and females alike.

Materials needed:
small leather squares
leather strips
hairpipes or spaghetti beads
crowbeads
sinew
leather needle
leather hole punch
mini crow beads

HAND DRUM KIT

Ages 15 and up

This rustic looking project has a variety of applications ranging from entertainment to ceremonial uses.

Materials needed:
drum frame
rawhide
lacing
drumstick

DRUM FRAME

Maple frame used for hand drum project.

Various sizes

• **GREAT FUNDRAISERS**
 • **GREAT LEARNING TOOLS**
 • **FUN FOR THE WHOLE FAMILY**
 • **UNIQUE CRAFT IDEAS**

BUGLE BEAD NECKLACE

Ages 12 and up

This type of necklace makes use of bugle beads. Pictured below is a bracelet made the same way just using less beads. Seedbeads can also be added to add a burst of color or contrast. The length of the bugle beads adds to the size of the necklace and give it more of a presence.

Materials needed:
bugle beads (size #3)
beading needle
beading thread
clasp

Optional:
seedbeads (size 10/0)

BEADED BARRETTE

Ages 13 and up

This project is one of many applications of the beadloom. All you need is some graph paper, pencil crayons and a little imagination to create a colorful pattern of animals, flowers, shapes or even spell your name. Attach the beadwork to leather pieces and a barrette and you have yourself a one of a kind hairpiece.

Materials needed:
seedbeads (size 10/0)
beading thread
beading needle
bead loom
leather
barrette clip

Optional:
30mm bugle beads
(for fringes)

ORNAMENTAL DRUM

Ages 10 and up

This is a popular craft idea with boys and girls. The shape of the drum comes from the use of an empty tuna fish or cat food container. Wrapped in leather and topped off with beads and feathers the final result is a nice decoration for the car or home.

Materials needed:
empty tin (eg. tuna)
leather pieces
leather lacing
small stones or beads
crowbeads
feathers

Optional:
conchos
aluminum cones

FEATHER NECKLACE

Ages 4 and up

We had this project tested at the *Festival du Voyageur* and in a number of schools in Winnipeg and it was very well received by kids from kindergarten to grade 6. Mixing leather, feathers and beads gives it a rustic look.

Materials needed:
leather strips
crow beads
hairpipes
feathers

Optional:
glue

BEADED EARRINGS

Ages 13 and up

Pictured here is one sample of an earring made with another combination of seedbeads and bugle beads. There are many different patterns out there or you may create one of your own. Use neutral colors for use with all your clothes or color co-ordinate your jewellery for that special outfit.

Materials needed:
beading needle
beading thread
seedbeads (size 10/0)
bugle beads
earring hooks

GAUNTLETS

Ages 12 and up

A very hot craft item. This mitten craft really helps take the chill off on a cold winter day. Choose from a variety of colours of leather and personalize your pair with beads or leather fringe.

Materials needed:
leather
leather needle
leather thread
lining
paper

Optional:
seedbeads
beading needle
beading thread
fur for trim
crowbeads

MEDICINE BAG

Ages 12 and up

A more traditional craft item. An attractive leather pouch to carry things close to one's heart.

Materials needed:
leather
scissors
beading needles
seedbeads
holepunch

MOCCASINS

Ages 15 and up

A more challenging craft requiring a full spectrum of crafting techniques. Go all out or try a scaled down version.

Materials needed:
leather
leather needle
leather thread
lining
paper

Optional:
seedbeads
beading needle
beading thread
fur for trim
glue
